HOMEWORK 3

Decide your final project. Choose an idea from your previous homework assignments. Make sure you can complete the app by the Project 3 deadline.

For your app idea, complete the following items:
1. Elevator pitch of your app idea.
2. App title (less than 50 characters).
3. App description (about two paragraphs).
4. App sketches (at least 3 screens). Hand drawn are ok.
5. Keywords (around 100 characters).
6. Category of your app.

Requirements:
All submissions must be in one PDF, committed to your git repository and shared with MichaelZiray@BoiseState.edu
